Hi David Beckham,  
Greeting from Russia! My dad and I arrived on Sunday and were having a great time. Weather is hot and sunny and there is a beautiful beach near our hotel. It is my favorite place to go. I ate Russian cheese last night. It was delicious.

Tom,  
 How are you? I'm on holiday with my parents in Mexico. and I'm learning how to windsurf. Guess what? I'm learning how to windsurf. We have lessons three times a week in the afternoon and I never miss them even when it is not very windy. I think windsurfing is a very exciting sport and I want to buy my own surfboard some day. In the evenings I work in a cafe near the beach. I clean the tables and help the waiters. It's not a very interesting job, but the money is useful. That's all for now, I have to go to my windsurfing lesson. I look forward to seeing you soon. Have fun.  
 Love,  
 Sofiya

Nowadays a lot of people take care of their health. Moreover, healthy lifestyle is very popular today.

More and more people prefer vegetables and fruits to fast food. because fast food has a very bad effect on our health. Firstly, fast food has a lot of fats, carbohydrates and harmful components. Secondly, fast food causes a lot of illnesses.

Moreover, vegeterianism is becoming more and more popular nowadays because people want to be healthy.

However, some people want to lose their weight so they resort to wight losing diets. As for me, ~~they~~ I think <sup>that</sup> they are very dangerous because our body does not receive useful components.

To sum up, I ~~claim~~ am convinced that people should eat healthy food because our health is an important part of our life.
